The campus glows with life and activity—day or night!

Yes, Forest Hill students, faculty members, and parents find action at Forest Hill—in day time classes for the high school students, night time club meetings, sports events, dinners, and adult education classes.

This is our school—Forest Hill, by day or night.

## *Our Taskmasters*

### Teachers; Students; Equipment; Co-operation

All of us are here for a purpose. That purpose is to further our education. It matters not which way we are headed after high school for Forest Hill is willing and able to prepare us for all directions. We have a high school of a great variety of curriculum and teaching methods.

They may be preparing us for college, for technical fields, or for immediate employment. It matters not which, for it is in these classrooms and from these teachers that we are learning our skills and building our self-confidence to help us face the days following those few days here at Forest Hill.

After school hours may at times seem more active than school hours themselves

Some of us run for our cars or for our ride home. Then we go to our jobs or get right on our homework or even help our mothers(?).

After school hours, however, are very important to the overall school life. A lot of activities, be they interest, scholastic, or service, occur during this time. Also, and most important, all FOREST HILL FALCONS practice their respective sports during these after hours. Our football team starts practicing weeks before school has even opened to ready themselves for a hard football season. Following closely, the basketball squad works on their highly specialize drills. The rest for sports goes on and on, and all participants put in hours of practice—for practice makes perfect.

## Touchdown

The Miss Touchdown contest this year was open to all three classes at FOREST HILL. A club may sponsor a girl or the girl may sponsor herself. The object of the contest was to sell the season football tickets. The top three contestants constituted the Touchdown Court. This year the court consisted of Miss Linda Sapp representing the Lionettes, Miss Donna Hiers representing the Jr. Exchangers, and Miss Darden Kettler representing the Keyettes.

## THE MAN BEHIND IT ALL

We, the student body,  
owe this tribute to Richard  
Razook as our token of  
appreciation for all his  
hard work on Homecom-  
ing.

We feel Richard's lead-  
ership was the keystone in  
making our Homecoming  
a complete success.

Homecoming 1967 — a crowning glory for Sylvia Johnson and the Class of 1968

The festivities started, as always, Skit Night. Held the eve of the game, the event began an hour earlier than in years due to the wide participation of clubs. Taking honors was the Z Club with "Puff, the Magic Dragon" skit. The Lionettes captured third spot, telling their tale with a narrator and real live people.

From the Gym everyone rushed outside to the huge bonfire and pep rally. Enthusiastic cheerleaders sparked the crowd's excitement.

Homecoming day, itself, began with the painting of the field, putting up ground displays, and bringing in the beautifully decorated float.

Following fifth hour, the student body and faculty headed to the field for the pep rally which revealed the colorful floats and spiritmodules.

Finally — the long anticipated night came. A parade of floats preceded the game and homecoming corsages were sold. During half-time, dozens of helium-filled balloons were

released. As a hush fell across the Forest Hill stands — Richard Razook announced the 1967 Homecoming Queen, Sylvia Johnson, and reported the names of the winning floats. Key-Keyette with "Kenya" took first place; the Lionettes placed second, and the GAA's "Mexico" came in third.

After the coronation of Queen Sylvia by Miss Mary Lou Sparks, '66 Homecoming Queen, the game got underway once again.

The football team played an especially great game Homecoming night. Their hard determination and fine playing won the game against Dan McCarthy, 20-6.

After the game, Queen Sylvia reigned over the Senior Class-sponsored dance in the cafeteria. Thus ended the 1967 Homecoming festivities — the best Forest Hill ever had — due to the combined efforts of the clubs, the student body, the faculty, the football team, and the Senior Class.

## *Basketball*

Basketball season, coming all too fast, barely gave the students time to relax from the tensions brought on by football. But, as always, they were there rousing their team to victory.

Our boys played exciting games and worked their hardest to show us, the spectators, a good game.

The games in our gym were fun, but the away games were twice the fun as the trip to and from caused much excitement.

As the basketball season came to an end, it brought us closer to the end of another year. For the seniors, their last, but the memories of these games, as well as football, track, swimming, and all the others, will remain with us forever.

For nearly a year, I have at least had a type of insurance, although one of a very special kind, that of peace of mind.

We stop on our way to see a very old and famous man. At this point, the two men are introduced and we are told that they are the two men who have been working on the project for the last few years. They are the two men who have been working on the project for the last few years.

One of the two men is a very old man, and the other is a very young man. They are the two men who have been working on the project for the last few years.

A few more men appear on the stage, and the two men who have been working on the project for the last few years are introduced. They are the two men who have been working on the project for the last few years.

The young man, the one who has been working on the project for the last few years, is introduced. He is the one who has been working on the project for the last few years.

A few more men appear on the stage, and the two men who have been working on the project for the last few years are introduced. They are the two men who have been working on the project for the last few years.

## *Weekends*

When the last bell of the day rings on the last day of the week we all scatter and hence, start our weekend. Friday nights are reserved for games, be it football or basketball. After the game, if there isn't a dance, there is a wild chase to the favorite of the moment eating place—be it Shakey's or Litchfield's.

Saturdays are prone to be beach days. Surfers and sun lovers alike flock to the local beaches for a day of relaxing and having fun.

Saturday night is more or less a reserved night for dating. This can range from playing pool or watching a movie to the old favorite "partying."

Certain times of the year there are "special attractions" to draw the crowds. Some of these would be the circus, the fair, and events at the auditorium.

Now and then a trip to the Fort Lauderdale scene is added to the active teen's schedule.

On the way around, there are many possibilities for a full, fun weekend for all.

## *Graduation*

For three years we have spent the majority of our lives in halls and classrooms and with teachers who have devoted their lives to making marks with blocks of knowledge.

The moment long awaited by every Forest Hill student is graduation. Every Senior experiences unique and mixed emotions during the ceremonies themselves and during the long week preceding the climax of our high school years.

**SPORTS**

Mr. Robert B. Riggs

The victory tradition did not happen to Forest Hill merely by chance. This reputation for having victorious teams and outstanding athletes was built through hard work and determination—of coaches and of the athletes alike.

Symbol of the victory tradition at Forest Hill is Mr. Robert B. Riggs, former football coach and presently Forest Hill's Athletic Director. Mr. Riggs has continuously waged a vigorous battle to build a solid athletic department and to develop winning teams in all sports areas.

Not only an active leader at Forest Hill, Mr. Riggs serves his community as well. He is the current president of the Palm Beach Coaches Association, Chairman of the Athletic Directors of the Suncoast Conference Eastern Division, Special Events Chairman for the CTA, and a Mason.

A tip of the hat and thanks to a man who has helped make Forest Hill what it is today!

A select group of men remain in the background when Forest Hill tastes victory. Only in defeat are these men noticed.

The group of men to whom I am referring is the coaching staff of Forest Hill High School. These are the men who are forgotten, the men who give so much of their time and knowledge to insuring the success of Forest Hill's athletics.

Few people realize how much time is put into the building of successful teams. The only reward these devoted people receive is seeing their efforts turned into victory on the athletic field. Without these men, a successful athletic program could not be a reality.

Seated—Mr. Arthur L. Perry, Soccer Coach; Mr. Thomas E. Cross, Varsity Basketball; Mr. Robert B. Riggs, Athletic Director; Mr. Jerry I. Jacobs, Head Football Coach; and Mr. Frank L. Springer, Tennis and Varsity Football Backfield Coach. Standing—Mr. James D. Hratec, Baseball and JV Football Coach; Mr. Jerry Wayne Harden, JV Football and JV Basketball; Mr. James H. Nicholson, Varsity Football End Coach; and Mr. Abner D. Bigbie, Track and Varsity Football Line Coach.

The trophy case located at the entrance to the Gym is always a pleasing sight to Forest Hill admirers.

During the past nine years, Forest Hill has fared well in athletic contests, winning some fifty Suncoast Conference championships.

The 1967 season was an overall one for the owners of the football team. Forest Hill, after a 2-10-31 season, won both the Homecoming game and the Palm Beach game for the first time in the school's brief history. These victories were made possible through the efforts of Head Coach Jerry Jacobs and Coach Jim Nicholson. Line Coach Albert Jones,

## Season: 6-3-1

### FOREST HILL 20 JOHN I. LEONARD 0

The Falcons started the season by defeating the Lancers behind the strong passing attack led by Ken Stone. The Falcons scored 3 touchdowns in keeping their unbeaten record against Leonard. Due to his outstanding performance, Ken Stone was selected as the WEAT-TV "Athlete of the Week."

### FOREST HILL 24 BELLE GLADE 7

Despite 208 yards lost due to fumbles and penalties, Forest Hill's powerful offense rolled over Belle Glade, 24-7. It was the Falcons' third win in a row over the Golden Rams. The win enabled Forest Hill to remain undefeated.

### FOREST HILL 7 SEACREST 33

Seacrest simply over-powered the Falcons to record a 33-7 win. The Seahawks, who were undefeated this year, wound up as the Suncoast Conference champions. The loss was the first of the season for the Falcons and gave them an 0-1 record in conference play.

### FOREST HILL 7 VERO BEACH 7

Ron Ratliff picked off a Vero Beach pass in the end zone with 20 seconds remaining in the game to halt an Indian drive and preserve a 7-7 tie. Ratliff caught a Ken Stone pass in the end zone to score the Falcons' lone touchdown. The tie gave Forest Hill a 2-1-1 record for the year.

### FOREST HILL 33 NORTH SHORE 6

The Falcons' attack was sluggish until the Mustangs scored late in the first period to close the gap to 7-6. This fired up the Falcons to the extent of breaking the school record for touchdowns in one quarter. The Falcons hit pay dirt four times in the second period in less than 4 minutes. Once again, Ken Stone led the attack. Stoney threw 3 TD passes, while Robbie Giardino scored the other touchdown.

#### FOREST HILL 14 LAKE WORTH 20

The Falcons dropped their second game of the year in a closely fought battle at Kettler Field. Robbie Giardino returned a Trojan kickoff 69 yards to the Lake Worth 19. Seconds later Ken Stone threw the first of two TD passes to Terry Mack. The loss left the Falcons 0-2-1 in conference play and 3-2-1 overall.

#### FOREST HILL 27 RIVIERA BEACH 12

Robbie Giardino scored 3 touchdowns to lead the Falcons to their first Suncoast Conference victory. Ken Stone fired a 26 yard pass to Joe Wade for the other touchdown in the 27-12 win. Ron Ratliff made an 87 yard run to highlight the Falcons' offensive outburst. The defensive team turned in another fine performance. Ron Ratliff won the "Athlete of the Week" Award.

#### FOREST HILL 20 DAN McCARTY 6

Forest Hill, led by Ken Stone, won its second Homecoming game in the school's history. "Stoney" scored on runs of 24 and 6 yards. The third TD came on a Ken Stone to Wayne Stowers scoring pass. The Falcons racked up 423 yards of offense. Miss Sylvia Johnson was crowned Homecoming Queen at half-time.

#### FOREST HILL 0 JUPITER 13

An inspired underdog Jupiter football team caught the Falcons off guard after the big Homecoming win. The Falcons just could not get started, although Joe Wade played an exceptional ball game. The loss was the only road game defeat of the year and was the only time this season that the Falcons did not score.

#### FOREST HILL 21 PALM BEACH 7

Forest Hill played the role of the spoiler as the Falcons ruined the Wilcats' Homecoming by a score of 21-7. The win marked the first time in Forest Hill history that a football team won the Homecoming game and the Palm Beach game. The win was the third Suncoast Conference victory in a row and earned the Falcons a tie for second place. Robbie Giardino won the "Athlete of the Week" Award.

An integral part of any successful athletic program is the select group of girls who promote school spirit and enthusiasm. These girls maintain a "B" average while devoting many hours of hard work and practice in order to cheer for Falcon teams.

The cheerleaders for the 1967-68 school year are Maggie Owen—Captain, Libby Owen—Co-Captain; Susan Miller; Judy Ellen; Jana Dickey; Lynn McVeigh; Patti Stahl; and Ilene Insler.

The cheerleaders are sponsored by Miss Mildred Crikenberger.

## Basketball

The Falcon squad missed graduate Glenn Winkler, but due to their playing experience Ken Stone, Don Mathis, and Mike Abufaris formed the nucleus of a basketball team that surprised many opponents. Playing in the Sun-coast Conference, which placed three teams in the State Top Twenty, the Falcons were able to muster a .500 record.

Once again, Coach Tom Cross was able to build a team that was respected by even the powerful conference leaders.

Coach Jim Heaton was out to keep the string of Sincost Conference Baseball Championships alive at Forest Hill. The Falcons have won the title the last three years. Key men Coach Heaton counted on are Ron Ratliff, Ken Stone, John Adeimy, Eddie Evans, William Wilson, and Pat Hutchinson. It will be a tough job defending the title, but Coach Heaton is confident that these boys can do it.

Coach A. G. Botney

Mr. Andy Botney has returned to the Forest Hill coaching scene. Coach Botney replaces Mr. Jerry Calandra who has moved to Atlanta. Coach Botney led Forest Hill to several Conference titles during his earlier reign. Prospects are good for strong finishes in the Suncoast Conference by both the boy's and girl's teams. Expected standouts are Brick Rosenbaum, Gary Thomas, Toi Ahrens, and Kathy Welborn.

Many people overlook a few sports during the Spring due to the presence of track and baseball. But to a handful of Forest Hill students tennis is the sport that they are concerned with. Under the able guidance of Frank Springer the boys and girls tennis teams will be seeking Conference championships. Boys and girls Coach Springer will be counting on are Richard Rampell, Albie Kozar, Pope Anthony, Georgia Holtgroewe, Susie Brier, JoAnn Rogers, and Gloria Barshell.

Coach Riggs

Another sport that is often overlooked is Golf. This year should be a good year for the golf team due to the number of returning lettermen. Coach Riggs' top prospects include Bob Bierley, Greg Sherman, Kathy Hansen, and Mary Yoakley.

## Student

The purpose of the Student Council is to provide a representative voice for the students of Forest Hill High School in striving for improvement of all phases of student life. Among the special projects of the year are a dance and the publishing of the student handbooks. The Council also provides hall monitors, ushers at assemblies, operates the bookstore, and supervises the student election. This year the Forest Hill Student Council was privileged to serve as Vice-President of District Five of the Florida Association of Student Councils.

## Civitan Club

The Junior Civitan Club upholds its motto, "Builders of Good Citizenship," through devoted service to the community as well as the school. The Robert Watkins Memorial Scholarship is presented annually by this club to a deserving senior. The Sack Stamp helps to raise money for this purpose. Other events to raise money for this scholarship are the Civitan Candy Sale, and Caxon Fruit Cake Sale. One of this club's many projects was the maintenance and operation of the fountain and patio adjoining the cafeteria. At the annual convention in Miami Civitan International presents awards to the most productive Civitan Clubs in the state.

## Lionette Club

The Lionettes act as guides at the annual Orientation Day. They participate in homecoming with a float, skit, and selling of corsages. The Lionettes are responsible for the sale of Forest Hall sweatshirts. They hold the annual Christmas Teachers' Tea. They attend the Lion's Christmas Party for the blind. An annual last dance of the year is held by this club. The members make Easter basket favors for the children's ward. This year the Lionettes participated in a Powder Puff football game against the Z Club.

## Exchangette Club

The Exchangette motto, "Unity for Service," is displayed by the many worthwhile projects this club performs. The annual Thanksgiving Dance is sponsored by the Exchangettes. To raise money they hold a car wash and sell lollipops before the football games. They participate in homecoming with a float and skit. This club is responsible for the spring clean-up campaign. At Easter, baskets are made for children. At Christmas, they visit the old folk's home.

## Key Club

Key Club, an active boy's service club, is kept very busy throughout the year. The sale of the annual calendar helps to establish their \$150 scholarship which is given to a deserving senior. The Key Club also helps the beautification of the school by painting and repairing the school's benches. Once a month these boys go with the Keyettes Club to a church in Palm Beach County to establish a religious foundation. Even on Valentine's Day they are kept occupied—preparing for their annual Key Club Sweetheart Dance.

## Keyette Club #1

September is the starting of school and also the starting of activities for the Keyettes. At football and basketball games the girls rent comfortable back rest to the fans. During homecoming the Keyette and Key Club build a float. This year their float, *Kenya*, won first place. At Christmas time the preparation for the Keyette "Mistletoe Ball" is their main project. Throughout the year bake sales and car washes are held to establish a scholarship which the Keyette Club gives to a senior girl. As June ends the school year, the girls end activities by helping the teachers with their end of the year work.

The top row of the collage consists of three black and white photographs. The leftmost photo shows a group of about seven people, mostly women, standing outdoors in front of a building. The middle photo shows the interior of a building with a large, ornate chandelier hanging from the ceiling. The rightmost photo shows a large, light-colored, rectangular structure, possibly a piece of furniture or a large box, in a room with a patterned rug.

The Z Club has many worthwhile projects during the year. They clean the trophies for class next. This can works in the concession stand for Coach Ross during football games. At the semester these girls clean all the desks. They also cover and look for the library. School spirit is promoted by the large wooden football and basketball put up before each game. At the Debate and Speech Tournament at school, they act as ushers. They helped the Gas Company with the state-wide Nutrition Committee to promote better breakfasts in high schools. Other various activities include bake sales, car washes, and participating in homecoming.

The Singing Falcons participate in many school and civic functions. The activities of the group have been determined by a very able group of officers. Among the many activities in which the Singing Falcons represent Forest Hill are The One Thousand Voices program at Christmas, All State Chorus in January, County Choral Festival in the spring, District Contest and hopefully State Contest. Each year the group participates in programs presented to the school at Thanksgiving assembly, Christmas assembly, and graduation exercises.

# Class of 1968

FOREST HILL

Farewell, Forest Hill!

Congratulations!

We want to go; we want to stay;  
We'll really miss Forest Hill  
by night and day!

Our three years attending Forest Hill High School have created many warm and happy memories for us to carry away and to reminisce about in later years.

Leaving Forest Hill—our classmates, our teachers, our administrators, our fellow club members, our carefree high school days—as the Class of '68 is both a beginning and an end.

We leave our Alma Mater reluctantly but, at the same time, eagerly. We leave with the glow of anticipation on our entrance into an adult world of advanced study, of earning a living, of taking an active part in community life.

We remember when we arrived at Forest Hill as uncertain little sophomores practically afraid of our own shadows. Through that year we learned and matured.

We became more self-confident when we moved to the status of juniors. We participated in class activities and especially in the annual Magazine Drive, carried on to earn money to finance the annual Junior-Senior Prom. And wasn't our Prom a fabulous affair! As usual, the juniors, seniors, faculty members, and guests danced the hours away at the beautiful Flagler Museum Ballroom.

As Seniors we became the "P. C.'s" of Forest Hill, and we wielded our power to the fullest extent. No sophomore or junior dared consider cutting into our lunch line. Naturally, we got the sophomores off to a good start by honoring them at our "Get Acquainted" dance in September.

We weathered the crisis caused by the state-wide walkout of some teachers. Through the untiring efforts of those administrators and teachers who remained on the job, assisted by qualified substitutes, we were able to resume our interrupted classes shortly.

At this moment, we still have some memories to gather for future reminiscing and cherishing.

The annual graduation festivities will undoubtedly create a variety of emotions—joy, sadness, nostalgia, excitement, expectation.

Opening these end-of-high-school events will be the Sunday night Baccalaureate where we will hear a talk by one of our prominent local ministers. The annual Class Night program honoring outstanding seniors comes next in the graduation festivities.

Climaxing our high school careers will be the receiving of our diplomas at the June 7, Kettler Field Commencement, presided over by Principal F. O. Hobson.

Thus we end our high school days where we moved busily through our classes and our afternoon and evening club, social, and sports activities.

Good-bye to Forest Hill and all the wonderful things it means to us—the members of the Class of '68.

We worked, we drove, and we succeeded in building a class worthy of praise.

Just like a car without wheels so would be the Junior Class without its never-tiring sponsors, spirited Student Council, and Junior Board.

As the new year began so too did a new magazine drive with all its hard work and long hours of walking and talking and praying.

We have gone through the seasons, the hot days and testing, the football games and autumn leaves, the Christmas spirit and sweaters, the smell of new growth and orchids of our Junior-Senior Prom.

The best of all was seeing the smiles of the Juniors and Seniors on Prom night, dining, dancing, and dreaming.

Forest Hill's traditional ring has been changed. The Junior Class was mainly responsible, which goes to show that our class has a mind of its own.

Our bright smiles began to fade, as we thought how our Junior year had come and gone so fast. The memories and results of our accomplishments have guided us through our years, making us eager to face our final year here at Forest Hill, with many more hopes and aspirations.

Junior Student Council Representatives: Seated: Toi Ahrens, George Elliott, Joel Daves, Beth Herrin. Standing: Debi Hamilton, Rolando Sanchez, Diane French, Chris Jones.

Junior Class Officers: Diane French, Treasurer; George Pink, President, Cary Thomas, Vice President, Beth Herrin, Secretary.

# Sophomores

For the sophomore, the year of high school days is like a mask over the horizon, as the sun draws nearer to the orientation program. Each year it's much the same promises that are given, slightly awed by the size of everything, watching those in the yellow line of cars go around all the things that are going well on long, crowded streets, and a host of many more. And then there's that moment when the sun is just a little bit over the whole school of searching for a place to go, a place to go. But the new year is a time of many things, and the spirit of the year is a spirit of competition, of accomplishing what everyone else is doing. It's a "Take the World" contest. And the sophomores have a few more things to do, and a little more to do, and many of the chips and rhymes. They feel that the year won't stay the way it is. This is the Class of 1970, and it will be a year of the best, and of the best, and as they go on out toward the end of their school years, it seems to them that the sun will shine brilliantly on all they try to do.

An expanding school system like Palm Beach County's demands a strong effort with experience, wisdom, and interest in control. This five-member group of local business and professional men, elected by the public to a four-year term is responsible for the operation of the schools according to county and state policy. The board members set the school policies, supervise the educational program, and issue contracts to personnel.

First row: Mr. Robert R. Johnson, Mrs. Sadie Grable, Dr. A. D. Thorp, Mr. Robert M. Hooker

Personal advice and assistance may be received from Mr. James Westbrook, Dean of Boys, and Mrs. Violet Gunby, Dean of Girls. They deal directly with the student on such matters as attendance, conferences, explanation of school rules, and illnesses. The Deans are always willing to lend a helping hand, and they strive to overlook no student.

## Guidance Department

The Guidance Department provides many essential services. These services include information, orientation of new students, and the administering of the Senior Placement Test, PSAT, SCAT, and other examinations.

For the purpose of determining progress, the counselor plans one conference each semester with the individual student. This also gives the assigned counselor an opportunity to discuss with that student any questions or problems he may present concerning high school, colleges, or career.

The Secretaries work hand in hand with the administration and students. Their work is very essential and carried out with much efficiency.

## Business Department

Students find Business Education courses designed to meet their special needs. Many are planning for a career in the business world and are acquiring valuable terminal or pre-college training. Others are interested in personal typewriting or basic business education as aids in high school or college assignments.

Business Education teachers feel students should examine practices of business and industry before they make the final choice of business as a career.

## *Diversified Cooperative Training*

By combining a general and specific course under the DCT instructor with two academic courses, the student is able to fulfill his educational objectives during the year that he works for one-half day as a part-time employee for a local business firm.

As a result of this training, the DCT student gains understanding of what will be necessary in order to obtain permanent employment after graduation.

## *Cooperative Business Education*

The Clerical Business Education is an excellent program for students interested in working half a day and doing school work half a day. Students get excellent training in the field in which they are interested as well as first hand knowledge of the work itself.

As a new program this year, CBE has made a promising start.

 in Social Studies Dept.  
 Appalachee State U.

The main purpose of the Social Studies Department is to help each student gain new knowledge in the fields of American History and World History. The teachers in the Social Studies Department attempt to involve students in activities that relate knowledge learned in class to the present problems of American life today.

Forest Hill's history department punctuates the past to prepare for the future.

## Driver Education Department

The approach to classes of the Driver's Education Department is to educate prospective drivers about everything related to operation of automobiles, including proper attitudes and courteous habits.

Students study basic facts of the mechanical operation of a car. This study is followed by driving lessons. At the end of the year each qualified driver obtains his license.

Mathematics is one of the foundations of higher learning that is essential in this everchanging world. It becomes man's ally, and with its mastery he may climb unlimited stairways.

The courses are planned to provide variety, including the latest in modern mathematics so that the needs and goals of all students may be met.

Teachers assist students in opening new doors to the ever present problems and secrets in today's world.

Science today, in our rapidly changing world, presents a challenge to those who study it.

Courses in biology, physical science, chemistry, physics, and the new earth science courses attempt to prepare the student for the complexities of life. These fundamental studies offer a modern approach to the known as well as the unknown realms of science.

Through experimentation, a more realistic knowledge of the phenomena of nature is achieved, and thus, a better understanding of our environment is acquired.

Mr. Howard P. Lantridge

The aim of Forest Hill High School's English, Journalism, Speech, and Drama classes is to improve reading, listening, and oral and written communication. This department provides basic skills to help the individual students to learn new skills. Many students have the opportunity to work on school publications.

An extension to the English Department, as well as the Art and Music Departments, has been the Humanities program. Students in this course become well versed in English literature, music, and art.

Students are placing new demands upon the library for research as well as leisure reading because of the current shift in emphasis from facts and information to analysis and understanding.

Student library assistants help with circulation shelving books, working at the reference desk, and obtaining and returning magazines.

## Foreign Language Department

Studying a foreign language, besides aiding us in the future, adds a little variety to our lives. To make it even more interesting, our lab facilities are excellent and enjoyable.

Included in the foreign language program are four-level courses in Latin and Spanish and French on three levels. Courses in German are also offered to the interested language student.

Second row: Dorothy Steel, Arlene Henry, Lois Gregory, Rosa Curlee, Violet Sagarot, Genevieve Pepper, Rita Herzog, Vermell Campbell. Third row: Lois Brewer, Florence Hughes, May Baldwin, Leona Stansfield, Alice Jordon, Katherine Duck.

## Cafeteria Staff

Two lunch periods each day find the cafeteria staff ready with good food, efficient service, and happy dispositions. Plate lunches and *a la carte* dishes are served daily; sandwiches may be obtained at the snack bar.

The faculty has appreciated the cooperation of the staff in assisting with club dinners and parties held at the school.

## Custodians

Revealing their pride in our beautiful school and campus, our custodians strive to maintain our school grounds in excellent condition at all times. They make many needed repairs during the school year and work during the summer to place all facilities in first-class shape for the new year.

In addition to maintaining the custodians assist with all of the affairs of the school, both to prepare and to clean up. They and tractors try moving equipment, locating extension cords, and doing whatever is needed to accomplish the job.

The Gray Ladies at Forest Hill volunteer for a day's work in the clinic. The Gray Ladies serve the school in one of the greatest individual services, the Red Cross.

The services these women perform range from bandaging, putting out band aids, patching wounds, and taking the names of those students too ill to stay in school to arranging for them to go home. The Gray Ladies have patience and are willing to give up their time to assist our students.

The School Traffic Officer is on duty both in the morning and in the afternoon to eliminate traffic jams and to prevent accidents.

He is also on duty for all athletic events and for all evening programs to insure the safe movement of traffic. His devoted interest makes him an integral part of school life.

# Keep your Lamp of Learning ...burning

In every field of endeavor, the quest for knowledge is a life-long process.

A solid educational background is increasingly important in our fast-paced world of science, exploration and invention. It is the key to greater earning capability and a more fruitful life.

Whether your steps will lead to the halls of higher learning, or to off-campus education opportunities that Florida offers in ample measure... resolve to keep your lamp of learning... burning.

We salute the Class of '68. Good luck... best wishes and more power to you.

Chris,

It's been great knowing  
of all you (you) and all  
everything that you do.

Love, Dad

10/10/11

Chris,  
You are  
really a special  
person in my life  
I hope you will always  
remember that together it  
is a wonderful time. Good  
night the thinking of you  
is always in my mind  
Love, Dad

Chris,

To my good friend  
and will be for ever.  
But of course in the  
future I will be with you  
in my mind. Love, Dad

Chris,  
I hope you are  
taking physical with  
Love, Dad

Love, Dad

Chris,  
Keep using  
that good sense  
and you won't  
go wrong. Don't stop  
for long. Have fun  
Bill  
10/10/11

I have just received your letter of the 10th inst. and am glad to hear from you. I am well and hope this finds you the same. I am sure you are enjoying your new home. I am sure you are enjoying your new home. I am sure you are enjoying your new home.

I have been thinking of you  
 and wondering how you are  
 getting on. I hope you are  
 well and happy. I have been  
 very busy lately, but I  
 still find time to write to  
 my friends. I hope you will  
 write back soon. I am  
 always with love,  
 Your friend,  
 [Signature]

I have been all the while  
in bed - I am getting  
quite better now -

was  
even - heavy -  
I was never  
more than a friend  
believe me - I'll been  
you. I know of what it was, but  
stayed in the swimming pool, but  
it was too much for me. I wish  
I wish you the best of luck  
in everything you do, & especially in  
college. Remember me always  
come back and see me next year  
Congradulations on  
graduating!  
Love you

Chris,

What can I say to you that  
I haven't already said? So the  
best buddy a girl could have -  
I wish you all the luck and  
happiness in the world & you  
deserve the best. Remember  
me! I'll always be a friend.

Love ya,

Chris

- Chris

Well, it's been one L.O.N.G. year. It's been  
full of good times and bad times 'But, somehow  
we've managed to make it 'And you were  
almost out

Chris, I hope you accomplish all you attempt in  
this year. Don't discreet any less. Keep your  
goals high and your ambitions and standards  
keep you, Chris. I'll be there for you.

Love,

James

Dear James,  
I have a really great guess  
and wish you to be right. I think  
in the future I will be able to talk  
about these days you know (C. P. W. never  
pretty lucky to know of these men and those  
females. You are of the good guys, I think  
for

John

To Irving Vansonowitch:

Well Chris, I reckon we finally made it through all the sweat, huh? Remember the Vero Beach Football game? Amanda's party? Wow!!! It's been great having you for a buddy as well as a neighbor! Being as I'm leaving for Atlanta & the Air Force this summer, I won't be seeing you much more so, just keep up your laugh and a smile on your puss and you'll always have a lot of friends!!!

AMF!!! Best of Luck —  
Sam

Sam McClan

P.S. I hope you always find what you're looking for in life (possy)!

Chris,  
 Remember our  
 great study hall!  
 Hope you have a  
 good summer & good luck  
 in the future. (stay out of trouble  
 with your car).

Chris,  
 The best of luck  
 to a great summer  
 and friend of me

Chris,  
 I hope you have a  
 good summer & good luck  
 in the future. (stay out of trouble

Chris,  
 Remember our fabulous Business  
 English class, and all the  
 "groovy" times that we had.  
 Good Luck in the future &  
 I hope you continue to "enjoy"  
 life.
